

CFI Forum - Positive Aircraft Control

In this forum we will discuss techniques to help instructors better evaluate students during approach and landings. Subject matter experts for this forum will be Gold-seal CFI/Director of Aviation/Lead FAASTeam Representative Nicholas Lenczycki and Aviation Safety Inspector Heather Metzler. The audience for this forum is current and aspiring Certificated Flight Instructors as well as Designated Pilot Examiners (DPEs).

Directions: Forum will be held in the main terminal building at Melbourne Municipal Airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
